Mr Bernard Esson Gray – Eastrea

Commented that yet again there was no police or Street Scene Officer at the meeting. He advised members of the quantity of vehicles that had been broken into in Eastrea and they he understood the perpetrator had been caught. The E-cops system had requested any information regarding the flower barrel at the junction of Wype Road and the A605 which had been smashed by a vehicle was sent to them. This was duly completed, but the local police were not interested. There has been further damage to the glass panel at the bus shelter. The owner of the commercial property who has the CCTV tried to call 101, but after a period of time it cut off, so he left a msg. No response was received, he contacted Whittlesey Police who advised he needed to contact 101. He has subsequently sent the information to Whittlesey Police Station. As of today the owner has not received any communication from the local policing team.

The Street Scene officer has been advised that at Kings Delph there is evidence of human excrement, FDC have put notices up and there are regular patrols by FDC and the Police. Steve Barclay has been
contacted but no response has been received. The situation is particularly bad here, it may be suggested to the relevant authorities that the layby be closed.

Street Furniture – There is far too much street signage that is put up by all sorts of organisations, without any permission, however when the Street Pride group wanted to erect signage for Clean for the Queen they had to jump through hoops, he feels any unauthorised signage should be removed immediately.

Mr Esson Gray advised that as they had not been asked to launch the ducks for the Duck Race, would there be one?

Mr Roy Gerstner - Whittlesey

In total agreement with all Mr Esson Grey has said, WTC needs to put pressure on someone to either close the layby down or put more patrols. There is pollution in the river at this point, Street Pride have collect over 10 tonnes of rubbish from this
